

16 September, 2016

Dear Dr. Vivek,

Thank you for sending me a copy of your book "VICTORY Over The Obstacles". You have explored ideas and concepts which certainly need to be considered and debated in every section of the society. I am sure that readers of your book particularly the students would be spurred to greater thought and positive action in their different spheres of contribution to society.

With regards,

Yours sincerely,

(Ram Naik)
